**Central Bank of Lesotho**  
*Banka E Kholo Ea Lesotho*

Introducing the new  
**10 Maloti** banknote  
*Phatlalatso ea chelete e  
ncha ea 10 Maloti*

**i** The banknote paper is reinforced and includes an hygienic treatment offering anti-bacterial, anti-fungal and anti-viral properties. *Pampiri e entseng chelete ena e ntlafalitsoe ka ho kenngoa li bolaea likokoana-hloko.*

**1 See-through**  
The shape of the "Mokorotlo" and the number "10" appear when the note is held up against the light.  
**Lets'oo le bonaletsang**  
*Lets'oo lena ke "Mokorotlo" o nang le palo "10" hare ho ona. Le hlahella hantle ha o phahamisetsa chelete khanyeng.*

**2 Watermark**  
Represents "Morena Moshoeshe I" and the value "10".  
**Lets'oo la metsi**  
*Lets'oo lena le entsoe ka sets'oants'o sa Morena Moshoeshe I. Tlisa selelu sa hae ho hlahella boleng ba chelete "10" le Mokorotlo.*

**3 UV security feature**  
Under UV light the blue "Mokorotlo" changes its fluorescent colour by applying mechanical stress (like gentle rubbing with a coin) and automatically returns to its original state after a short time.  
**UV, Lets'oo le bonahalang ka mechini e bonesang chelete**  
*Ha chelete e bonesoa ka lebone la "UV" e hlahisa "Mokorotlo". Ha o e pikitla makhetlo e fetola 'mala nakoana ebe ha morao e boela 'maleng oa pele.*

**OVI**  
When tilted, the colour shifts from gold to green moving up and down.  
**OVI, Lets'oo la mebala e fetohang ha chelete e phethophethoala**  
*Lets'oo lena le fetola 'mala ho tloha ho oa khauta ho isa ho o motala.*

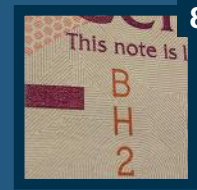

**5 Security thread**  
A colour shifting and windowed security thread is incorporated into the paper.  
**Lets'oo la ts'ireletso le kang khoele**  
*Lets'oo lena le parola chelete ka lehare le tloha holimo ho ea tsoa tlaase ho chelete. Lets'oo lena ekare khoele. Ha chelete e phahamisetsa khanyeng ho hlaha khoele ena eka e khaohile, hape ekare e ea bonaletsa.*

**6 Glossy varnish**  
The note has a protective surface treatment including glossy highlights on the "10 Maloti" and "CBL".  
**Ho benya ho cheleteng**  
*Ele ho matlafatsa chelete hore e se senyeha kapele, e tlostsitsoe ka ho kang pente ho bonaletsang (Gloss) Ho benya hona ho khanya haholo ho palo "10" le mongolo "CBL".*

**7 Latent image**  
When tilted, the denomination "10" appears on the intaglio portrait.  
**Lets'oo la mongolo o ipatileng**  
*Ha chelete e phethophethoala e hlahisa palo "10" lehetleng la Motlotlehi Letsie III.*

**8 Tactile marks**  
A red band to aid the visually impaired can be felt when running your fingers over the edge of the note.  
**Motsero o mahlakoreng a chelete**  
*Motsero o mokhubelu o mahlakoreng a chelete, o utloahala ha o tsamaisa menoana holima chelete. O thusa haholo Basotho ba senang pono ho tseba boleng ba chelete eo ba e ts'oereng.*
